## 4. SPECIFICATIONS & QUALITY ASSURANCE

### 1. SPECIFICATION FOR STEEL CGI ROOFING SHEET

#### 1.1 General

Corrugated galvanized iron (Steel CGI) sheets are very popular in all parts of the country, except in the high mountains. These sheets shall be properly anchored to each purlin/batten that supports them. Corrugated Galvanized Iron or Steel sheets are a lightweight roofing material made of thin sheets, stiffened by corrugations. Corrugations, such as waves, considerably increase the strength and stiffness of the lightweight material. Indeed, without these waves, the metal sheets are fragile and highly deformable. The steel used is mild steel for forming, which is galvanized to increase the durability of the metal sheets, and consequently allowing them to better withstand the weather. The sheet shall be free from rust and the zinc covering at the time of fixing shall be on perfect condition. Each sheet shall have 10 corrugations 75mm wide and 19mm deep with overall flat width of 800mm.

Terminology of Steel CGI sheet:

#### 1.2 Quality of Material (Steel CGI Sheet)

##### 1.2.1 Raw Material

1. All Steel CGI sheet should be manufactured from mild steel.
2. It should be galvanized by Hot-dip process in which minimum of 98.5% percent of zinc should contain in bath.

##### 1.2.2 Requirements

All the Steel CGI Roofing Sheet should meet all the following criteria:

1. Corrugation of Steel CGI sheet should be uniform and Pitch and Depth should also be uniform.
2. The sides of the Steel CGI sheet should be parallel to each other.
3. The Steel CGI sheet should be free from twist and buckle.
4. The galvanized coatings should be clean and uniformly distributed and tests should meet. Nepal Standard 210/2046 and 213/2046.
5. Required quantity of zinc coating shall be:

Purpose	Applicable Nominal thickness	Thickness of zinc coating	Min. Wt. of zinc coating (Each Test)
For roofing	0.35mm to 1.0 mm	0.046mm	250 gm/sqm
For roofing	Above 1mm	0.054mm	275gm/sqm

6. The Steel CGI sheet should be free from Non-galvanized spots, Blister, Pinholes and any others defects.
7. Each sheet should have 18mm corrugation depth and 75mm corrugation pitch.
8. The tolerance of dimension of Steel CGI sheet shall be:
  - a. The length of the Steel CGI sheet should not increase more than 10mm that of mentioned length
  - b. The dimension of the Steel CGI sheet should not be less than that of mentioned.
  - c. The difference between the both diagonal distance of the Steel CGI sheet should not be more than 20mm
9. The tolerance of corrugation of Steel CGI sheet shall be:
  - a. Corrugation Depth :  $\pm 1.5\text{mm}$
  - b. Corrugation Pitch :  $\pm 2.0\text{mm}$
  - c. Overall width after Corrugation :  $+ 25.0\text{mm}, -10.0\text{mm}$
10. The tolerance in thickness of usable steel CGI sheet after zinc coating shall be:

Specified Thickness (mm)	Tolerance (mm)
0.4 to 0.6 (except 0.4)	$\pm 0.05$
0.6 to 1.0 (except 0.6)	$+ 0.08$
1.0 to 1.6 (except 1.0)	$+ 0.10$

### 1.2.3 Marking

Following information should be marked on each Steel CGI sheet:

- a. Manufacturer Name and Trade Mark
- b. CGI
- c. Width
- d. Length
- e. Thickness
- f. Type
- g. Batch No.
- h. Manufacturing Country
- i. Manufacture Date

## 2. SOURCES OF MATERIALS

The use of any one kind or class of material from the source is to be approved. The sources or kinds of material shall not be changed without written permission of the Engineer. If the product of any source proves unacceptable, the supplier shall make necessary arrangements for the supply of acceptable material. Any claims for compensation associated with such arrangements or changes shall not be considered, unless the source of the unacceptable material is designated in the contract as a source of material.

## 3. Quality Requirements, Quality Control and Quality Assurance (Guarantee)

The quality control of the materials acquired, is the responsibility of the prime Supplier, who should guarantee that all materials are of standard quality according to the specifications given are correct according to Design and Drawings. The cost for all damages due to use of low quality materials has to be borne by the Supplier. At the time of delivery the parts and materials shall have to be free from any defects in material or workmanship in all respects and shall remain reasonably perfect till the end of maintenance period when a final check shall be carried out.

#### **4. Inspection, Tests and Final Check**

The Supplier shall coordinate to provide access and other facilities for the inspection and, if required, tests of the materials. Such inspection shall be made prior to delivery and shall be conducted so as not to interfere unnecessarily with the operation of other work. Such inspections are supplementary and intended to clear the delivery only, and shall not be considered as a final acceptance.

**The final check of all materials will be conducted and the discrepancies found during such final check have to be rectified by the supplier at its own cost.** On a default situation, such works shall be conducted by the Purchaser and the cost incurred for such works shall be made a liability in the supplier's account (either from its retention money or from other payments and/or their property according to the prevailing rules and regulations).

The inspector may at his/her discretion check the test results obtained at the Supplier's works by independent tests and should the material so tested be found to be unsatisfactory, the costs of such tests shall be borne by the supplier, and, if satisfactory, the costs shall be borne by the Purchaser. In any case the quality assurance by the Supplier has to be made available, whenever required by the Purchaser.

#### **5. Storing, handling and protection of STEEL CGI Roofing Sheet**

All materials (Steel CGI Roofing sheet) shall be stored and handled without subjecting them to excessive stresses and damage. Bundles shall be so laid that the corrugations run in the same directions in every course. One end of the stack shall be raised by 100 mm to 150 mm to allow water flowing freely. If the sheets are not to be used immediately, these shall be stacked under roof cover.

#### **6. Packing and delivery**

All materials (Steel CGI Roofing Sheet) shall be bundled. The costs of packing shall be included in the bids. If the materials (Steel CGI Roofing Sheet) are being airlifted, bundles of sheets of Steel CGI should be packaged in a sturdy wooden box. This is especially critical if the Steel CGI is under slinging with a helicopter or being stored on or near an airfield.

#### **7. TRANSPORTATION**

It is the responsibility of the Supplier to control transportation activities and quality/quantity of any materials, loading and off-loading of the same, and the delivery at designated point. Materials (Steel CGI Roofing Sheet) should be transported with due attention so as not to incur any damage to them either due to exposure to excessive moisture or mishandling. The Supplier shall entirely be responsible for the quality and quantity of materials received at the point of origin and their delivery at designated point in the same quantity and quality. No reasons whatsoever will be accepted for materials not reaching to site in proper condition and in required quantity. Loss during transportation, if any is entirely on the Supplier's account. Work being delayed because of materials (Steel CGI Roofing Sheet) being damaged during transportation is Supplier's concern, which shall not be considered a reason for time extension.

#### **8. HEALTH AND SAFETY**

The handling staff shall be equipped with gloves and sturdy boots to prevent injury, and that a first aid package is available at loading and off-loading locations.

---

## 5. SCHEDULE OF REQUIRMENTS (SOR)

---

The purchaser will strictly monitor that the schedule of requirements are fully honoured by the supplier and shall assess the performance of the supplier in view of adherence to it.

### 1. DELIVERY SCHEDULE

The delivery of all the STEEL CGI Roofing Sheets is to be made within delivery time at delivery points as indicated in the **Delivery Schedule**. Delivery Schedule is effective from the date of signing the contract agreement. The Quantity of the Goods required is as per Bill of Quantities.

**Delivery Point:** Melamchi Warehouse, Tar, Melamchi-6, Sindhupalchok

**Delivery Time:** Within 20 days of contract agreement

### 2. NOTICE OF DELAY

In the event that the Supplier encounters a delay in supply of the goods, the Supplier shall promptly notify the Purchaser of such delay with proper evidence and may request for time extension before expiry of the time given in the contract.

### 3. TIME EXTENSION

Time extension request shall be considered by the Purchaser only in exceptional case if the reasons are acceptable to the Purchaser.

### 4. PENALTIES FOR DELAY

In case of delay in the delivery of the goods, due to Supplier's default, beyond the time specified in the contract, the penalty will be determined as per the conditions of contract.

### 5. EMPLOYMENT

The Supplier shall employ exclusively local skilled/unskilled labours. REAP/HELVETAS requires that tender, contractors and suppliers ensure during the procurement and execution of such contracts that people in the supply-chain are treated with respect and have rights with regard to employment including the rights to freely choose employment, freedom of association, payment of a living wage, working hours that comply with national laws, equal opportunities, recognized employment relationship, freedom from intimidation and to a safe and healthy working environment. Equally, contractors must ensure that there shall be no exploitation of child and forced labour. This shall be ensured in terms of the ILO Convention No. 182 on the Worst Forms of Child Labour, 1999 and the ILO Convention No. 138 on the Minimum Age for Admission to Employment and Work, 1973.

### 6. GENDER

No discrimination for wage payment will be made on the basis of gender or caste or ethnicity.

### 7. EQUITY

The Supplier shall pay equal wage for equal work.

### 8. INSURANCE

The supplier shall procure insurance policy for all the personnel working in supply of goods.

---

## 6. GENERAL CONDITIONS OF CONTRACT (GCC)

---

### 1. Definitions

- 1.1 In this contract, the following terms shall be interpreted as indicated:
1. "The Contract" means the agreement entered into between the Purchaser and the Supplier and signed by both the parties and it includes all attachments and appendices thereto and all documents incorporated by reference therein;
  2. "The Contract Price" means the price payable to the Supplier under the contract for the full and proper performance of its contractual obligation;
  3. "The Goods" means the work package of supply of materials (STEEL CGI Roofing Sheet etc.) including transportation up to the destination points.
  4. "The Services" means the works described in the Terms of References to be performed by the supplier including modification, alteration and additions of works and other obligations of the supplier covered under the Contract.
  5. "The Purchaser" means the organisation purchasing the goods, i.e. REAP, HELVETAS Swiss Intercooperation Nepal.
  6. "The Supplier" means the supplier/contractor whose service according to proposal has been accepted by the purchaser for supplying the goods and services under this contract.
  7. "Engineer" or "The purchaser's representative" means the engineer appointed by the purchaser from time to time for inspection/supervision of goods and services.
  8. "The Delivery Site" means the place or places where delivery of the goods is to be made. It is also to be referred as "destination point".
  9. "Day" means calendar day.
  10. "Terms of Reference" means the schedule of works and duties, defined by the bidding document and to be executed by the supplier under this contract.

### 2. Application

These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the contract.

### 3. Standards

- 3.1 The Goods supplied under this Contract shall conform to the standards mentioned in the **Technical Specifications**.
- 3.2 Wherever reference is made in the **Technical Specifications** to specific standards and codes to be complied with, the specified standards and codes shall apply and the provisions of the latest edition or revision of the standards or codes shall apply only with the pre-consent of the Purchaser.

### 4. Use of Contract Documents and Information

- 4.1 The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Purchaser to any person other

than a person employed by the Supplier for performing the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

- 4.2 The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information except for purposes of performing the Contract.
- 4.3 Any document, other than the Contract itself, shall remain the property of the Purchaser and shall be returned (all copies) to the Purchaser on completion of the Supplier's performance under the Contract, if so required by the Purchaser.

## 5. Patent Rights

The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof.

## 6. Inspections and Tests

- 6.1 The Purchaser or its Representative shall have the right to inspect and/or to test the goods at its own costs. The **Technical Specifications** shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing of the identity of any representatives retained for these purposes.
- 6.2 The inspections and tests may be conducted on the premises of the Supplier or its sub-Supplier(s) and/or at the Goods' final destination. If conducted on the premises of the Supplier or its sub-Suppliers(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Purchaser.
- 6.3 Any inspected or tested Goods fail to conform to the Specifications, the Purchaser may reject the Goods, and the Supplier shall either replace the rejected Goods or make alternations necessary to meet specification requirements, free of cost to the Purchaser.
- 6.4 Nothing in GCC shall in any way release the Supplier from any warranty or other obligations under this Contract.
- 6.5 A Certificate of Acceptance shall be issued by the Purchaser after necessary inspection and tests of the Goods, in case the goods conform to the specifications and drawings.

## 7. Packing

- 7.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.
- 7.2 The packing, marking and documentation inside and outside the

packages shall comply strictly with such special requirements as delineated in the Contract and in any subsequent instructions issued by the Purchaser.

**8. Insurance**

The goods supplied under the Contract shall be fully insured against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the **Technical Specifications**. Such insurance shall be arranged and paid for by the supplier.

**9. Transportation**

9.1 The Supplier shall be required to meet all transport and storage expenses until delivery.

9.2 Transportation of the goods after delivery at the destination point shall be the responsibility of the Purchaser

**10. Incidental Services**

The Supplier may be required to provide incidental services, including additional services, if any.

**11. Warranty**

11.1 The Supplier warrants that the Goods supplied under the Contract are new and unused. The Supplier further warrants that all Goods supplied under this Contract shall have no defect, arising from design, materials, or workmanship or from any act or omission of the Supplier.

11.2 The warranty shall remain valid for (12) months after the delivery of the goods at the destination point indicated in the Contract to the satisfaction of the Purchaser.

In case any defect is observed or found in the goods at the site, the supplier shall be liable to bring back the defective goods and shall replace them with proper ones at his/her own costs.

11.3 The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty.

11.4 Upon receipt of such notice, the Supplier shall, within the period specified and with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to the Purchaser.

11.5 If the Supplier, having been notified, fails to take remedial action within fifteen (15) days from date of receipt of notice, the Purchaser may proceed to take such action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

**12. Payment and Taxes**

12.1 After acceptance of the goods by the purchaser and their delivery at the destination point, payments shall be made by the Purchaser, within 15 days. The full and final payment shall be made only after completion of delivery. The purchaser may consider part payment based on delivery upon request of the supplier and if deemed essential on mutual understanding.

12.2 All taxes applicable will be for the Supplier's account.

12.3 VAT shall be explicitly mentioned on the invoice and shall be for the Purchaser's account.

**13. Prices**

Prices charged by the Supplier for goods under the Contract shall not vary from the prices quoted by the Supplier in its bid.

**14. Change Orders**

14.1 The Purchaser may at any time, by a written order given to the

Supplier, make changes within the general scope of the Contract in any one or more of the following:

- a. drawing, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;
- b. the place of delivery; and/or
- c. the Services to be provided by the Supplier.

14.2 If any such change causes an increase or decrease in the cost or time required for the Supplier's performance, an equitable adjustment may be made, with mutual consent, in the Contract Price or delivery schedule, or both, and the Contract may be accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within 15 days from the date of the Supplier's receipt of the Purchaser's change order.

**15. Contract Amendments**

No variation in or modification of the terms of the Contract shall be made, except by written amendment signed by the parties.

**16. Assignment**

The Supplier shall not assign to a third party, in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior written consent.

**17. Subcontracts**

The Goods/Services shall be fully supplied/performed by the Supplier and shall strictly abstain from sub-contracting in whole or any portion of the goods/services to any other supplier other than other than the partners mentioned in Bid Form.

**18. Delays in the Supplier's Performance**

18.1 Delivery of the goods and performance of services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser in the **Schedule of Requirement**.

18.2 An unexcused delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to any or all of the following sanctions: imposition of liquidated damages, termination of the Contract and /or disqualification up to a period of two years.

18.3 If at any time during performance of the Contract, the Supplier should encounter conditions impeding timely delivery of the goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the Supplier's time for performance, with or without liquidated damages.

**19. Liquidated Damages**

If the Supplier fails to deliver any or all of the goods or to perform within the time period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to 0.25% of the contract price of the delayed goods for

each day of delay until actual delivery, up to a maximum deduction of (10%) percent of the Contract Price. Once the maximum is reached, the Purchaser may consider termination of the Contract.

**20. Termination for Default**

20.1 The Purchaser may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, terminate the Contract in whole or in part:

- a) if the Supplier fails to deliver any or all of the goods within the time period(s) specified in the Contract, or any extension thereof granted by the Purchaser; or
- b) if the Supplier fails to perform any other obligation(s) under the Contract; or
- c) if the Purchaser is of opinion that the goods does not conform to the specification and/or drawings

20.2 In the event the Purchaser terminates the Contract in whole or in part, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, goods or services similar to those undelivered or unacceptable, However, the Supplier shall continue performance of the Contract to the extent not terminated.

**21. Force Majeure**

21.1 For purposes of this Contract, "Force Majeure" means an event beyond the control of the parties to the Contract and not involving either party's fault or negligence and not foreseeable.

21.2 If, at any time during the existence of the Contract, either party is unable to perform in whole or part any obligation under this Contract because of such events which include, but are not restricted to, acts of God, acts of Government in its sovereign capacity, war, revolutions, hostility, civil commotions, strikes, fires, floods, epidemics, quarantine restrictions, freight embargoes, explosions, then the date of fulfillment of Contract shall be postponed during the period when such circumstances are operative.

21.3 The party which is unable to perform its obligations under the present Contract shall, within fourteen (14) days of occurrence of the Force Majeure event, inform the other party with suitable documentary evidence. Non-availability of materials from regular sources or disruption of power supply shall not be an excuse for the Supplier for not performing its obligations under this clause.

21.4 Any waiver/extension of time in respect of the delivery/ acceptance of any installment or part of the goods shall not be deemed to be a waiver/extension of time in respect of the remaining deliveries.

21.5 If such inability to perform continues for a period of more than three (3) months, each party shall have the right to be released from further performance of the Contract, in which case, neither party shall have the right to claim damages from the other. All prior performance shall be subject to Contract terms.

21.6 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause

thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

- 22. Termination for Insolvency** The Purchaser may at any time terminate the Contract by giving written notice to the Supplier, without compensation to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.
- 23. Termination for Convenience**
- 23.1 The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time convenient to it. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.
- 23.2 The Goods that are complete and ready for delivery within 15 days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:
- a) to have any portion completed and delivered at the Contract terms and prices; and/or
  - b) to cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Services and for materials and parts previously procured by the Suppliers.
- 24. Resolution of Disputes**
- 24.1 The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.
- 24.2 If, after twenty eight (28) days from the commencement of such informal negotiations, the Purchaser and the Supplier have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms. These mechanisms may include, but are not restricted to, conciliation mediated by a third party, adjudication in an agreed national or international forum, and/or national and international arbitration.
- 25. Governing Language** The Contract shall be written in the English language. The English version of the Contract shall govern its interpretation. All correspondence and other documents pertaining to the Contract which are exchanged by the parties may be written in Nepali and/or English language.
- 26. Applicable Law** The Contract shall be interpreted in accordance with the laws of Nepal.
- 27. Notices**
- 27.1 Any notice given by one party to the other pursuant to the Contract

shall be sent to the other party in writing and confirmed in writing to the other party's address. Notice sent by facsimile or by email does not need confirmation of the receiver.

27.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

**28. Taxes and Duties**

The Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the final destination.

**29. Corruption**

The Suppliers shall adhere to the highest ethical standards, both during the bidding process and throughout the execution of a contract. A "corrupt practice" refers to the offering, giving, receiving or soliciting (directly or indirectly) of anything of value to improperly influence the actions of another person. Corruption in the procurement process generally involves a fraudulent act such as bribery or a kickback. Contractually supplier shall declare that they are not engaged in corrupt practices; they must disclose any situation that may appear to be a conflict of interest. REAP has a "zero tolerance" policy regarding acceptance of gifts or hospitality; and there are restrictions on employment of former REAP staff members.
